Vendors may arrive up to one hour prior to opening to begin setting up. No vehicles will be allowed in the market area during market hours. Product should be presented attractively. Smoking is prohibited in the Market. Be respectful of others.
4. To provide customers with a continuous supply of product, vendors must remain set up until market closing, unless prior permission is given by one of the Market Managers, in accordance with weather conditions and product availability. If for some reason a vendor cannot be at the Market, it is requested that they inform one of the Market Managers as soon as possible.

Pop-up tents, tables, displays, and merchandise are the responsibility of the vendor. Tents must be properly secured against wind, using stakes and/or weights.
